

The **Research Center SAFE** “Sustainable Architecture for Finance in Europe” at Goethe University Frankfurt’s House of Finance is seeking to fill the position of a

Student Assistant (m/f/d)
- 40 hours/month -

SAFE is a cooperation of the Center for Financial Studies and Goethe University funded by the Hessian excellence initiative LOEWE. It promotes research and independent policy advice on all aspects of modern financial markets. More than 150 researchers from different fields, including finance, macroeconomics, microeconomics of organizations, financial mathematics, marketing and law collaborate and bundle their strengths in SAFE.

We are looking for

a student assistant (“HiWi”) for SAFE project “**The Role of Analyst Style in Earnings Conference Calls**” for examining how analysts engage with firms during conference calls. The person would be involved in empirical research on the specific topics analysts inquire about during conference calls. As such, the project work involves assembling a new database and conducting econometric, particularly textual, analyses.

Your Profile

- Student in Economics, Business Administration, Finance, or equivalent
- Excellent performance in your field of study
- Very good skills in econometrics, data management and ideally experience in empirical research
- Advanced programming skills in Stata and R, and willingness to learn new software
- Fluency in English
- Ability to work independently, flexible, and in teams

We offer

The infrastructure of a modern research center with excellent contacts to both scientific community and industry. You will be working in a very attractive working environment in the House of Finance at Goethe University and an enthusiastic team of colleagues. The position is for six months from May 1, 2019, on average 40 hours per month, with working hours negotiable.

Your application: Please submit your application, together with the usual credentials (CV, letter of motivation, transcripts etc.), by mail to Research Center SAFE, House of Finance, Goethe University, Theodor-W.-Adorno-Platz 3, 60323 Frankfurt am Main, Germany or electronically per email to applications@safe.uni-frankfurt.de by adding **APPLICATION Research Assistant Project 21234** in the subject line of your email.

Deadline for the submission is **15 April 2019**.
